SW-HF2.1 1800K
Karaoke Stereo Speaker System

Enjoy home karaoke with crystal voice and deep bass!!

Genius introduces its 2.1ch karaoke stereo speaker system, the SW-HF2.1 1800K for karaoke/music lovers. The SW-HF2.1 1800K has 50 watts of total output power, one low-mid frequency 5.25" subwoofer for bass reproduction and 3" satellites deliver mid to high range tone for crystal voice .

There are two Mic. jacks, Mic. volume and Mic. Echo effect controls for karaoke singing, and a mater volume control with blue LED rim and bass control are great for your personal adjustment. The speaker cabinets are built with Medium Density Fiberboard (MDF) wood for durability and improved bass extension and sonic accuracy. Additional RCA converter cables are included for connecting to TV or other audio devices.

Installation is easy. Just connect SW-HF2.1 1800K to your audio devices and plug your microphones and start to singing songs with your friends thru Genius SW-HF2.1 1800K karaoke speaker system.
